

Hi Friends, Please join Kirk and me for a joyful, heart opening teleconference on Saturday December 2, 2006 from 7:00-8:00pm EST. Kirk and I were fortunate enough to visit Mt. Shasta this past summer, where we were involved in a group healing with Diana Gazes. I had a deep and powerful inner experience with her work. The next morning I had an aura picture taken. The woman who took the picture was amazed to see my chakras perfectly aligned and my power at 100%. She stated that she had never seen that before in anyone. I am absolutely certain that it was a direct result of the clearing I had the evening before with Diana. Love, Mindy
